

YASİN KOÇ

Personal Information

Date Of Birth: 10/07/1993

Address: Eyup,Istanbul

Email: yasinkoc.18@gmail.com

Military Service: Exempt (Done as a cadet)

Social Status: Single

Nationality: Turkish

Mobile: +90 554 946 94 18

Driving License: B(2012)

Experience 1/7/2014–11/8/2014 Tesan Electric Automation Tr.& Ltd.& Co. Istanbul, TURKEY

Intern

- Basic components of automation systems.
- Basics of PLC programming.
- Controlling the electrical motors by PLC and variable-frequency drive.

12/8/2014–5/9/2014 Tesan Electric Automation Tr.& Ltd. Co. Istanbul, TURKEY

Production Department

- Design and production of automation systems.
- Sensors.
- Intermediate skills in PLC programming.

29/6/2015–24/7/2015 Tesan Electric Automation Tr.& Ltd. Co. Istanbul, TURKEY

Intern

- Design and production of automation systems.
- PLC communications protocols (CAN bus,Modbus,etc.).
- Advanced skills in PLC programming.

27/7/2015–28/8/2015 Tesan Electric Automation Tr.& Ltd. Co. Istanbul, TURKEY

Field Engineering and Troubleshooting Dept.

- Medium voltage water supply pumping stations.
- Troubleshooting in electrical and automation systems.

Education

2007-2011 Kuleli Military High School Istanbul, TURKEY

A Science Highschool Degree

Good, 67%

2011- 2013 Turkish Military Academy Ankara, TURKEY

Electronics Engineering

GPA: 3,86 Excellent, First Honors

2013- 2016 Istanbul University Istanbul, TURKEY

Electrical and Electronics Engineering

GPA: 3,49 Very Good (Class rank :5 th)

Languages ▪ Turkish (Mother Tongue), English (Fluent), French(Beginner), Arabic(Beginner)

YASİN KOÇ

Some University courses

Signals And Systems, Communication Theory I, Probability And Random Processes, Control Systems, Power Electronics, Fundamentals of Biomedical Engineering, Medical Electronics, Renewable Energy Sources

Extra Courses

2013 GETEK'13 Istanbul, TURKEY

- Education about dealing with fast changes of technology and creating new ideas
- Ways of developing new ideas and projects.
- Creating schedules for reaching the aims.

2014 MIYAD İstanbul, TÜRKİYE

- Professional foreign language courses (MIYAD)
- Technical lexicons about electric and electronics engineering
- Grammar Structure of Technical English

2016 OPC Foundation Istanbul, TURKEY

- Education about communicating with the PLCs by using OPC standards
- How to communicate with the PLCs by using OPC standards.
- Taking data from different brands of PLCs by using different brands SCADA.
- Creating a database by KEPSEVEREX.
