

PERSONAL INFORMATION

Name: Suat ORAL

Date of Birth: 21/02/1994

Marital Status: Single

Driving License: B

Telephone&E-mail: 0553 044 63 66 & suat_oral@hotmail.com

Adress: Girne Mh. Demet Sk. B22 Blok Da:18 Maltepe/İST

WORK EXPERIENCE

Project Engineer, TEKSAN JENERATÖR (01.06.2022-)

I am working on diesel generator technology at Teksan Jeneratör. In this context;

- Technical analyze of special project regarding to domestic/international private sector firms and public utility corporation tenders
- Supplying proactive solutions to sales team for non-standard equipments (M.V switchgears, transformers, special fuel systems, special exhaust system, seismic requirements etc.) according to company product range with price analyzing.
- Providing suitable solutions to end-users with site visits before and after sales

-Project Engineer, BETESAN ELEKTRİK MÜHENDİSLİK SAN VE TİC A.Ş.(29.04.2019-23.05.2022)

I am working on ship electricity at Betesan Mühendislik, which operates in the marine sector. In this context;

- Designing ship power distribution systems (main distribution table, distribution boards etc.)
- Preparation of ship single line diagrams
- AC / DC Electrical load balancing calculation analysis
- Voltage drop and current capacity calculations
- Battery capacity calculations
- Preparation of the lighting plan
- Preparation of fire detection plan
- Designing alarm monitoring and control systems
- Determination of ship pump / fan automation and design of engine controllers, bridge consoles and machine consoles

I am actively working on the issues.

-Project Engineer, PRORAY MÜHENDİSLİK VE SANAYİ TİCARET A.Ş.

As a Project Engineer, I gained experience in preparing and reporting railway electrification projects in line with technical specifications

-Intern Engineer, Emta Enerji Elektrik İnşaat Ve Müh. Tic. A.Ş.

I examined HV and MV systems and took part in AIS (Air Insulated Substation) and GIS (Gas Insulated Substation) projects. I learned about the tender processes of projects, and gained experience in preparing proposals and project follow-up.

-Intern Engineer, UVA LIGHTING & ENGINEERING

I have tried and observed weak current electrical installation projects and lighting automation systems such as DALI, DMX, Dyalite.

EDUCATION

University	Balikesir University-Electrical/Electronics Engineering	03/09/2012- 07/02/2019
	Anadolu Üniversitesi-Kamu Yönetimi (2.Üniversite)	15/09/2017-06/09/2021
High School	Ataşehir Anadolu Lisesi (Fen Bilimleri)	12/11/2008-08/06/2012

LANGUAGE SKILLS

English- Good

COMPUTER SKILLS

-Autocad Electrical: 8/10	-Arduino: 9/10	-AVEVA:5/10
-Microsoft Office: 8/10	-ISIS&ARES: 6/10	
-Photoshop: 9/10	-C/C++: 5/10
